Warmest greetings from the Confucius Institute at the University of Arizona (CIUA)!

We would like to thank everyone from the University of Arizona and local Tucson communities; with your support, we had a great year in 2012. The 1st Chinese Culture Festival last September was a great success; we have now offered many Chinese language and culture classes; we won multiple awards in the 2012 worldwide Confucius Institute online Chinese New Year Festival...

Looking ahead, in addition to our established culture activities and classes, CIUA will work with our partners to initiate new summer camp programs for all ages of students this year. CIUA is committed to bringing a broadly-based Chinese experience to Tucson. For those who are interested in acquiring first-hand experience in China, CIUA also offers scholarships and summer camp opportunities to study or visit China.

We look forward to a fruitful year with all of you in 2013!

Best wishes,
